TO THE OWNERS OF DOGS.

Major's Office, Alexandria, Va., June 1, 1899.

All persons owning or intending to keep any animal of the dog or canine species must come forward on or before JUNE TENTH, 1899, and take out a license for the same from the Auditor. After the 10th of June all persons owning or harboring dogs without the required license will be fined (as the laws on the subject require) \$5 for every dog owned or harbored.

Complaint has been frequently made that many persons fail to take out their licenses, and that others pay on one or two dogs when owning or harboring more, or who send such dogs away during the summer months and bring them back in the fall.

My attention has been called to this evasion of the law, and I shall require the license to report all such cases, and fines will be imposed upon those who fail to take out licenses.

The police officers will be required to report all violations of this law. GEORGE L. SIMPSON, Mayor. License and tag \$1.50. je1 110
